DON'T OVERPAY IN CREDIT CARD FEES

Keep your money in your pocket.
We've saved our clients over \$5 Million in fees in the last 12 months.

C2C Resources can help reduce your credit card fees through its relationship with CardConnect. CardConnect is an established leader in the transaction processing industry. We provide flexible, robust, reliable products and services that enable merchants across the nation to accept nearly every type of electronic payment.

Benefits of CardConnect:

- InterChange Plus pricing (the only pricing model that benefits the merchant)
- Easy conversion, 45 minutes from paper work to 1st transaction
- Periodic audits to ensure you're getting the lowest rates
- You can never eliminate "downgrades", but we can help you minimize them

If You See any of the Following Listed on Your Monthly Statement, You're Paying Too Much.
